

## FEATURES

The unique blend of effective micro-organisms is perfect for:

- Eliminating odors
- Maintaining odor-eliminating effect on surfaces long after cleaning
- Creating a positive micro climate inside the room
- Penetrating and protecting the spaces you can't touch or see.

New technology allows for a finely atomized dry spray. 100% of **Eco-Air Fogger** is available to instantly make contact with surfaces containing malodors. The dryness of the spray allows for complete odor elimination without the messy fallout, residues, wetting or staining. Effectively eliminates odors caused from urine, feces, decay, rancidity and mildew. Each can neutralizes and destroys odors up to 6,000 cubic feet of space.

## DIRECTIONS FOR USE

1. Close all windows and shut down air-conditioning or heating unit.
2. Place can on raised surface near middle of room.
3. Spread paper or cloth directly below can for protection.
4. For total discharge, press valve all the way down, locking the catch.
5. Set can down and immediately leave the room.
6. Do not disturb area for at least 2 hours. Ventilate room for 30 minutes before re-entering.

**NOTE:** The 360° valve can be operated to give short bursts of spray by lightly depressing the valve and pointing the can to area to be treated.

## PRECAUTIONARY STATEMENT

If medical advice is needed, have product container or label at hand. Keep out of reach of children. Read label before use. Avoid breathing dust/fume/gas/mist/vapors/spray. Use only outdoors or in a well-ventilated area. Wash thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection.
