

AE #100 BIO COIL CLEANER

DANGER:

Extremely flammable aerosol. May cause an allergic skin reaction. Causes serious eye irritation. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Avoid breathing gas. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves. Wear eye/face protection. Protect from sunlight. Do not expose to temperatures exceeding 49°C/120°F. Dispose of contents/container in accordance with local/regional/national/international regulations.

FIRST AID:

IF ON SKIN: Wash with plenty of water.

If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/attention.

IF INHALED: Move to fresh air. Call a physician if symptoms develop or persist.

IF SWALLOWED: Immediately call a poison center/doctor. Do NOT induce vomiting.

CONTAINS/CAS NUMBER:

Water (7732-18-5), Butane (106-97-8), 2-Butoxyethanol (111-76-2), Diethylene Glycol Monoethyl Ether (111-90-0), EDTA Tetrasodium Salt (64-02-8), Propane (74-98-6), d-Limonene (5989-27-5) and Sodium Nitrite (7632-00-0).

AE #100 BIO COIL CLEANER

For Use On Evaporator and Condenser Coils

• DELAYED FOAMING ACTION
ALLOWS FOR DEEPER PENETRATION
AND BETTER PERFORMANCE

• EXPANDING FOAM
FOR FLUSHING ACTION

• HIGH PRESSURE JET FORCE TIP

• NO RINSING REQUIRED

• DUAL QUAT FORMULA

• DEODORIZES

• FRESH CITRUS SCENT

KEEP OUT OF REACH OF CHILDREN

CAUTION

EYE IRRITANT. CONTENTS UNDER PRESSURE.

Read carefully other cautions on back panel.

NET WT: 19 OZ (1 LB 3 OZ) 539 g

MADE IN THE USA

DESCRIPTION

AE #100 BIO COIL CLEANER features a delayed foaming action to allow the non-acid, non-chlorinated package to attack dirt, grime, soil, deposits, and contaminants from evaporators and condenser coils. Jet force tip propels the foam to its intended target, including hard to reach places. The dual quat foaming action expands and flushes contaminants out of coils and deodorizes drain pans. Fresh citrus scent. No rinse necessary. For use on window and roof-top HVAC units as well as auto radiators, small air-cooled equipment, metal filters, fan blades and more. Cleans, deodorizes, decreases energy costs, and prolongs life of equipment.

DIRECTIONS

Turn off and unplug all electrical equipment. Shake can well, remove cap and inspect for obvious or large contaminants on coils. Saturate the target area. As the foam breaks down, the self-rinsing, flushing action leaves the substrate clean and fresh.

Cautions: Use with adequate ventilation. Intentional misuse by concentrating and inhaling the product can be harmful or fatal.

KEEP OUT OF REACH OF CHILDREN.
