

## DESCRIPTION

This high-alkaline cleaner is formulated to clean and degrease without harsh solvents, butyl or alcohols. Suitable for use on all surfaces not harmed by water, it may be used in automatic scrubbers, pressure washers, hot tanks and spray cleaners. Its properties make it ideal for cleaning all protective rubber clothing, diving suits, respirators, masks, and facepieces. Leaves behind a pleasant citrus fragrance.

Do not breathe mist, spray. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Take off contaminated clothing and wash it before reuse. Wear eye protection, protective clothing, protective gloves.

**IF SWALLOWED:** rinse mouth. Do NOT induce vomiting.

**IF ON SKIN (OR HAIR):** Take off immediately all contaminated clothing. Rinse skin with water/shower. **If skin irritation or rash occurs:** Get medical advice/attention.

**IF INHALED:** Remove person to fresh air and keep comfortable for breathing.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor, a POISON CENTER. Store locked up.

*For industrial and commercial use only.  
For additional information, see Safety Data Sheet.*

**WARNING:** This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer and/or reproductive toxicity.

## DIRECTIONS

Use a 1:20 dilution (6 ounces per gallon) for common cleaning chores, including hard surfaces such as floors, walls, appliances and painted surfaces. Rinse surfaces with clean water.

Heavy grease and grime deposits may require a more concentrated dilution of 1:10 or 1:5. Warm or hot water accelerates the cleaning action, allowing higher dilutions for light cleaning chores.

Dispose of contents/container to comply with local/regional/national/international regulations.
